

Safe Hospitality – Keeping you safe from Covid-19

Please read the important information below indicating how we can protect each other to make your holiday a safe and comfortable one, where fun, peace and enjoyment has no limit.

Please bring you own protective masks and sanitizer

Sneeze or cough into a disposable handkerchief and then throw it away. If you are unable to find one please sneeze/cough in the crook of your arm.

Please leave the shoes you arrived in at the entrance to the apartment. So when packing, ensure your house shoes are easily accessible and can be used straight away.

Wash & sanitize your hands frequently with soap and water (min. 30 sec.)

eg. When you get home, before and during the preparation of food, before meals, after using the toilet, after blowing your nose, coughing, sneezing, before and after contact with the sick and after contact with animals.

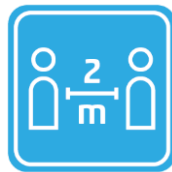

stubai

Please bring your own thermometer so that you can check your temperature on arrival and during your visit.

Frequently allow fresh air into the room

Keep a safe distance especially when you don't know people well. Stay 2m (7 feet) apart. Suggestion: if you do sit with others at a table e.g. At a Hut in the mountains – exchange telephone numbers, or establish where the other people are staying. In the event of an infection, people can be immediately informed.

Please dispose of used tissues immediately and separately in the specially labelled bin provided

Only touch goods with intention of purchase. Treat food hygienically

stubai

Maintain social distancing! Direct physical contact with other people should be avoided. Instead of shaking hands and giving hugs, greet others with a great big smile. So please don't be sad, when we don't shake your hands on arrival.

Keep hands away from face: Avoid touching eyes, mouth or nose with unwashed hands.

On the day before departure please complete the form regarding quality and suggestions on improvements. It is important for everyone to please take his or her temperature. If your temperature is 38°C or above, or you are not feeling well, please indicate this on the form so that we can take the following measures:

1. Implement safety precautions for our cleaners
2. Implement safety precautions of our new guests
3. The bed linen and towels will be washed in water over 60° C

This form is private and confidential and you may remain anonymous.
